ILLUMINATING FACIAL EXCLUSIVE TO OASIS SPA BY KERSTIN FLORIAN

This results driven treatment is designed to illuminate your skin to deliver a fresher, brighter, more hydrated appearance. Begin with an exfoliating enzyme peel to even out texture and tone and to brighten the skin. A deep cleansing massage promotes circulation and a concentrated serum C + infusion delivers a powerful boost of pure Vitamin C to protect from free radicals and improve the skins' tone and elasticity. A unique cooling masque with luminous rice is used to penetrate vitamins and nutrients deep into the skin, leaving your complexion radiant and rejuvenated. Enjoy a luxurious foot and pressure point scalp massage while your masque is at work. A heated hand treatment completes the experience.

Treatment Duration: 85 mins
